

LOGO GUIDELINES (ENGLISH)

(C) 2016 SIMFLER

LOGO

The babytime logo consists of small 'b' symbol and eight specially drawn letterforms. These symbol and their relationships must never be altered or modified in any way.

The babytime logo is most effective when positioned in clear space, which helps to protect its integrity.

IF THE BRIGHTNESS OF THE BACKGROUND COLOR IS BELOW 40%, USE THE POSITIVE (SOLID, BLACK) LOGO.
IF THE BRIGHTNESS IS ABOVE 40%, USE THE NEGATIVE (SOLID, WHITE) LOGO.

INCORRECT LOGO USAGES

DON'T

1. Change logo's orientation.
2. Add extraneous effects to the logo.
3. Change the logo colors.
4. Attempt to recreate the logo.
5. Scale the logo unproportionately.
6. Place the logo on backgrounds that provide insufficient contrast.
